NORTHERN TERRITORY BOULDERING CHAMPIONSHIPS

Darwin 2016 – Term 1, Week 8

ACTION REQUIRED:

• Register interest with David Atkins by email – david.atkins@portal.stphilips.nt.edu.au
• Attend the information session being held at 4pm, Wednesday 2nd December 2015, at the climbing wall
• Pay deposit of $300 by Friday 4th December, 2015
• Submit medical forms and final payments ($800) by 10 February 2016

Dear Parent/Guardian and Year 8-12 Climbers/Students

As part of the St Philip’s College Outdoor Education program and the development of our young climbers, I would like to offer a small group of students the opportunity to compete against other schools within the Northern Territory. This trip will be held from Tuesday, 15 March to Friday, 18 March 2016, towards the end of Term 1, 2016. Rock Centre in Darwin will be hosting the Championships and will also be providing accommodation and assistance with transport whilst in Darwin.

The aim of this trip is to extend our students climbing ability and expose them to other climbers of the same age in a competition setting. Students will participate in divisions of junior or senior students with their peers. It is hoped that we could field 10-15 students for the championships:

● Junior students from Years 8 to 9
● Senior students from Years 10 to 12

PROGRAM

Students will be involved in climbing daily and will have a number of days where they compete against other students in their division. Competition days run from 8:30 am to 3:00 pm. There will also be some activities unrelated to climbing that take advantage of the Northern Territory’s capital city.

COSTS

The cost of the camp will be $1100 ($300 deposit due by Friday 4th December, 2015) for food, accommodation, entry, activities, plus the return airfare to Darwin.

MEDICAL REPORT AND CONSENT FORMS

Each student needs to return a completed and signed medical form and consent form to Student Access by Wednesday, 10 February 2016 (Term 1, Week 3), however, please submit as early as possible. Please complete carefully with as much detail as possible. Students should also sign the appropriate section.

In line with College policy, those students who have asthma or allergies should collect an Asthma and/or Allergy Management form from Student Access and submit with their completed medical and consent forms. These forms can also be downloaded from: http://www.stphilips.nt.edu.au/special-programs/outdoor-activities/camp-forms

If you have any further questions regarding the camp or your son/daughter, please do not hesitate to contact me at the College.

Yours sincerely

David Atkins
Head of Outdoor Education
