ACTION REQUIRED:

- Information Night – from 6pm, Wednesday, 6 February 2019
 - Medical information updated on *Community Portal* and consent for attendance given by Wednesday, 24 April 2019
-

Dear Year 7 Parent/Guardian and Student

As part of the St Philip's College Outdoor Education program, the Year 7 *Finding the Path* Camp will be held over **Weeks 5 and 6 of Term 2**. The Year 7 Camp is the first camp of a comprehensive Outdoor Education program and leads students towards the challenges of Year 8 Camp, Year 9 Endeavour Camp, Year 10 Winter Programs, and the Year 11 Leadership course.

The primary focus of this camp is to introduce all Year 7 students to the philosophy of Outdoor Education and to provide constructive time to get to work with their peers and teachers in a different environment. As the camp is integral to the College ethos, **it is expected for all students to participate**. Students must attend school at normal times, when they are not on camp.

Each student will attend for three days with his/her elective class group. The program consists of bushwalking, orienteering, rock climbing, abseiling, mountain biking, and a trip to the Desert Park. All specialist equipment will be provided by the Outdoor Education department, including bicycle hire, bushwalking equipment, and food after the first lunch. **Recess and lunch on Day 1 must be provided from home.**

PROGRAM (some groups will do the program in reverse)

- Day 1:** Arrive at school at 8.30am and meet at the College oval near the main entrance roundabout. Students will be transported by bus to Simpson's Gap and the group will bushwalk along part of Section 1 of the Larapinta Trail to Wallaby Gap.
- Day 2:** Groups will be given the opportunity to participate in rock climbing, abseiling, and orienteering. If time permits, groups may also walk up onto Euro Ridge.
- Day 3:** Students will cycle from Wallaby Gap to the College, via the Desert Park, along the Simpson's Gap/Blain Street bike path. Depart school 2.55pm.

Students will assist with the preparation of dinner each night and also be given the opportunity to do their own cooking in small groups on Trangias. Each night, groups will camp together and participate in night activities before the last day.

CAMP GROUPS AND DATES

- Groups 1 and 2:** Monday, 20 May to Wednesday, 22 May
- Groups 3 and 4:** Wednesday, 22 May to Friday, 24 May
- Groups 5 and 6:** Monday, 27 May to Wednesday, 29 May

MEDICAL AND CONSENT INFORMATION

Parents/Guardians will be required to update medical information and give consent for attendance on the *Community Portal* **by Wednesday, 24 April 2019**. Please complete carefully with as much detail as possible.

EQUIPMENT

Year 7 students will be issued with a sleeping bag during the camp. This sleeping bag is provided by the school for students to keep and use on all school programs.

When selecting clothing, choose items that are going to be comfortable for walking or cycling during the day and offer **protection from the sun**. Remember, that although it is likely to be very warm during the day, the **temperature may drop considerably at night**. Please ensure that the warm clothing and beanie listed are brought along.

If you have any further questions regarding the camp, please do not hesitate to contact me.

Yours sincerely

Emma Shearer
Acting Head of Outdoor Education
