

ST. PHILIP'S COLLEGE

Dear Parents,

Historically, the College has had a Year 10 Dance which was to farewell those students who were leaving us to start jobs or to go to TAFE College. This situation is no longer the case as the majority of our students remain until Year 12, and it is then that we hold the Year 12 Valedictory Dinner for students, parents and staff to celebrate the end of our students' high school career.

Due to this, and taking into consideration feedback and the results received from our parent survey earlier in the year, we would like to announce that this year's 2017 Year 10 Dance will be our last one.

We would like to thank those parents who participated in the conversation.

Parents of our current Year 10 students, a letter will be sent to you next week providing all the information for this year's event.

Kind regards,

Chris Leesong  
Deputy Principal
